

JIHAD 101

Did we learn anything from 911?

By Gene Keith

September 6, 2009

This Friday will be the eighth anniversary of the surprise attack on America by radical Muslim terrorists. The terrorists who hijacked the airplanes and murdered several hundred innocent Americans are still praised as heroes in the Islamic world. But in the opinion of this pastor, they are remembered as cowards and murderers. The Muslim clerics had persuaded them that to die as a martyr was the most honorable thing a Muslim could do and that the moment they died, they would enter a paradise where seventy black-eyed virgins would be waiting for them. The truth is, those cowardly terrorists are in hell and they will be there for eternity.

The attack on the September 11, 2001 should have been a wake up call but it wasn't. Actually, we woke up for a minute or two and now we've gone back to sleep.

President George Bush

Our former President, George W. Bush stood up and stated that we will fight the terrorists and the countries that supported them. He kept that promise and America was not attacked again for eight years. The CIA even succeeded in gaining information from captured terrorists that exposed an attack and kept it from happening.

President Barak Obama

But all of this has changed now because we have a new president who stated publicly:

- **There is no war on terrorism. It is now called an "Overseas Contingency Operation."**
- "The United States is not at war with Islam and never will be."

The mainstream media, which acts as lap-dogs for our new President, rarely shows pictures of the attack on the World Trade Center, and the Pentagon.

Terrorist prisoners of war, captured on the battlefield, killing American soldiers, may be tried in our courts and may be given the same rights as American citizens.

The CIA officials who prevented another terrorist attack are being investigated and may be charged as criminals.

WHAT'S GOING ON?

The truth is, America may not be at war with Islam, but Islam has been at war with America and Western culture since the days of the Barbary Pirates and that war is coming to a climax in your generation.

Islam is out to conquer the world and the time is coming that you will do one of three things:

1. Keep your head in the sand until they are knocking on your door.

2. Wake up and stand up. You will fight them now or you will fight them later. You have no other choice.

3. If you wait until they come knocking on your door with their guns and swords, you and your children will have one of two choices:

- Become a Muslim and worship Allah
- Become a martyr and lose you head.

IT'S TIME TO WAKE UP!

The purpose of this report is to wake you up and place some information in your hand so that you will know what's going on around you. Most American people are asleep.

I would like for each of you to have a written copy of this message today. It contains research I did eight years ago when God woke me up. The material in this message was preached in this pulpit eight years ago but I doubt that anyone remembers it.

WE'VE BEEN AT WAR WITH ISLAM FOR YEARS

Our president stated that America is not at war with Islam and never will be. The truth is, we've been at war for years but we just didn't know it. Why did it take the bombing of the World Trade Center and the Pentagon to bring us to our senses? We can't say we were not warned. Why didn't we listen?

1995 Reader's Digest

One of the first warnings I read appeared in a 1995 Reader's Digest article titled, "A Holy War Heads our Way," by by Fergus M. Bordewich. In this article the author warned:

"A rising tide of Islamic radicalism is sweeping the Middle East. . . and threatening Western Security interests. "

"Fundamentalist leaders blame all of society's problems on 'heretics' and the corrupting influence of Western culture."

Cal Thomas

Just one year ago,¹ Cal Thomas wrote an article which appeared in the Gainesville Sun titled: "Declaring War on Radical Islam." Listen to what Cal Thomas wrote one year ago:

"The past threat was communism. The threat of the present and immediate future is radical, fundamentalist, murderous Islam."

"They have a divine mandate to destroy the West with its pretenses and secularized ways."

"It is time for a new approach to an enemy that unlike Communism, is unlikely to collapse under its own weight. Rather it is intent on making sure we collapse and is willing to die by the thousands to ensure that happens."

Terrorists Met Twice

According to Carl Cameron of FOX News.com, "The world's most extreme terrorist groups met twice earlier this year in an effort to set aside their philosophical differences and unite in a holy war against the United States and Israel."

TIME Interviewed Bin Laden

TIME magazine had a personal interview with Osama Bin Laden. You can find a copy of

¹ Gainesville Sun, October 18, 2000.

that interview at TIME.COM. The interview is titled, "How to Beat Bin Laden," by Tony Karon.

"Washington may never have declared war on Osama Bin Laden, but he has been at war with America for the better part of a decade. "

World Trade Center

Why did it take a suicide attack on the world trade center and the Pentagon to wake America up cause us to come to grips of the reality, that war was declared on the United States ten years ago. This report is designed to give the layperson a better understanding of the present conflict.

WHO ARE THESE PEOPLE CALLED TERRORIST?

President George Bush made it clear that we were at war with Terrorist and the nations which harbor them. Who are these people? Where do they live?

1. Osama Bin Laden

Colin Powell has named Osama Bin Laden as the prime suspect. President George Bush agrees and says eh wants him "Dead or Alive." There is no doubt that Osama played a major role in

this attack, but he is only one person in a terrorist network that reaches around the world and operates out of Florida itself.

2. The "Jerusalem Project"

According to the Fox News channel,²

The world's most extreme terrorist groups met twice earlier last year in an effort to set aside their differences and

²Foxnews.com

unite in a holy war against the United States and Israel. "

There were 400 participates, representing five (5) terrorist groups from eleven (11) nations, including the United States. Here are the names of the terrorist groups and the nations who support them:

- The Ben Laden's al-Qaeda in Afghanistan
- Hamas and Jihad factions in Palestine
- The Hezbollah in Lebanon
- Militants from Egypt, Pakistan, Jordan, Qatar, Yemen, Sudan, and Algeria
- There was also one participant from the United States
- Iran also sent several official diplomats including Hojatoleslam Ali Akbar Mohtashami, a well- known Iranian intelligence official.³
- We learned this week that one of them had worked at a BP station in Williston.

3. The Hamas

One of the most radical terrorist group is "The Islamic Resistance Movement" commonly called the "Hamas." The Hamas had a web site until recently, when it was removed. Several months ago, this writer pulled up their website and copied the Hamas Charter. You can read their 27 page charter to discover who those people are; how they are organized; where they get their money, and what they say about Jews, Americans, and Western Culture.⁴ This writer discovered:

³Ibid

⁴(<http://iap.org/politics/misc/truth/html>)

- Pro-Hamas Islamists....collect an obligatory 2.5% of a Muslim's earnings via local committees. (Page 3, The Truth about Hamas)
- According to Yasser Arafat, the Hamas receives between \$20 to \$30 million from Iran.
- The International Muslim Brotherhood extends assistance to the Hamas.
- There are radical Islamic organizations in India, Turkey, Malaysia, and Afghanistan. (According to the Hamas official spokesman, Ibrahim Ghosheh) (Page 4)
- A pediatrician, Mahmoud al-Zahhar, conducted a study of election results for the Bar Association, the Engineers Syndicate, the Medical Association, The Accountants Association, the Gaza Chamber of Commerce, and the unrwa Worker's Union. Palestinians voted in these elections and Hamas candidates won 43% of the overall votes.

4. Terrorist Cells in the United States

According to the US State Department, the Hamas operate a base on U.S. soil. According to New York's former Sen. Alfonse D'Amato, said:

"Groups in northern Virginia, Dallas, Detroit, Chicago, Tucson, and in my State of New York, are channeling large amounts of money back to Hamas in the Gaza Strip."⁵

5. The PLO (Palestine Liberation Organization)

According to Article 27 of the Hamas Charter, the PLO is listed as a friend and brother. Here are the exact words:

"The PLO is among the closest to the Hamas, for it constitutes father, a brother, a relative, a friend. Can a Muslim turn away from his father, his brother, his relative, or his friend?"

6. The Arab States Surrounding Israel

The Arab states surrounding Israel are involved in this network. How do we know this? Article 28 of the Hamas Charter requires the Arab states surrounding Israel to support the Hamas. Here are the exact words:

"The Arab states surrounding Israel are required to open their borders to the Jihad (Holy War) fighters, the sons of the Arab and Islamic peoples, to enable them to play a role and to join their efforts to those of their brothers among the Muslim Brothers of Palestine."

"The other Arab and Islamic states are required, at the very least, to facilitate the movement of Jihad fighters from and to them."(page 20 of 27)

"Those who prepare for a raid in the path of Allah re considered as if they participated themselves in the raid. Those who successfully rear a raider in their home, are considered as if they participated in the raid themselves." (Article 30, page 21)

"Leaving the circle of conflict with Israel is a major act of treason and it will bring curse on its perpetrators." (Article 32, page 23 of 27)

⁵ Page 6 of the Hamas Charter.

"Who so on that day turns his back to them, unless maneuvering for battle or intent to join a company, he truly has incurred wrath from Allah, and his habitation will be hell, a hapless journey's end." (Article 32, page 23)

WHO HAVE THE ISLAMIC TERRORIST DECLARED WAR ON?

In the opinion of this present writer, the terrorist have declared war on at least five (5) different groups. Do you know who they are?

1. Muslim terrorists have declared war on all Jews.

Following the suicide bombing of a Pizza restaurant in Jerusalem in which several Jewish children were killed, the official television station of Yasser Arafat's Palestinian Authority boasted:

"All weapons must be aimed at the Jews who the Koran describes as monkeys and pigs. We will Jerusalem as conquerors . . . Blessings to he who shot a bullet into the head of a Jew."

Islamic terrorist hate Jews! They especially hate those Jews who now live in the land of Israel. The terrorist summit meetings which were held in Lebanon in February and in Iran in late April, named their Holy War "The Jerusalem Project."

2. Muslim Terrorists have declared war on the United States.

According to the FOXNews.com story⁶ the 400 Arab terrorist who met to plan their Holy War against the U.S. and Israel, consider the United States to be a "Second Israel." The

⁶ "Terrorist Groups Met Twice to Plot Holy War against U.S, Israel." Fox News.com, Sept. 16, 2001

Islamic radicals refer to the United States as the "Great Satan."

In the exclusive interview between TIME and Osama Bin Laden, the terrorist leader had this to say about the men who were arrested for bomb attacks on the two United States Embassies in Africa:

"What I know is that those who risked their lives to earn the pleasure of God are real men. They managed to rid the Islamic world of disgrace. We hold them in the highest esteem."

When the terrorist flew the hijacked airplanes into the World Trade Center and the Pentagon, they believed they were doing God's will and destroying an evil influence

3. Muslim Terrorists have declared war on Western Culture

Islamic Fundamentalist leaders blame all of society's problems on 'heretics' and the corrupting influence of Western culture. Read Article 35 of the HAMAS charter.

They believe they have a divine mandate to destroy the West with its pretenses and secularized ways.⁷

4. Muslim Terrorists have declared war on Christianity.

Radical Islamics look upon Christians as "infidels." In countries where the Islamic, radical, Fundamentalist are in control, Christians suffer severe persecution. They tell us:

"Safety and security can only prevail under the shadow of Islam;" and "The members of other religions must desist from struggling against Islam" (Article 31, page 22)

⁷Cal Thomas, Gainesville Sun, October 18, 2000. Page 11.

- **In Afghanistan,** the Taliban have jailed 6 people, one a 24-year old American woman, for witnessing and having Bibles in the Afghan language. There are 16 converts who are going to be put to death for converting to Christ.
- **In Pakistan:** "A Pakistani criminal court sentenced Dr. Younus Shaikh to death for blasphemy. His crime? Telling students that before becoming a prophet at the age of 45, Mohamed and his family had not been practicing Muslims."⁸
- **Writers attacked:** "Islamic leaders pronounce death sentences on authors like Salman Rushdie and the American, Khalid Duran, who write books the Islamists don't approve of."⁹
- **In Pakistan:** There are 200 Christians awaiting death in Pakistan. They have been sentenced to death for "blasphemy."
- **In Saudi Arabia:** In Saudi Arabia, two pastors were beheaded because they dared to hold a Bible study¹⁰
- **In East Java:** In East Java, a crowd of 10,000 Muslims attacked and burned the home of a Christian preacher, to protest the tracts he had distributed.¹¹
- **In the Gulf War:** During the Gulf War, Chaplains in the US military were not allowed to wear their tiny crosses on their lapels. Service men were told to leave their Bibles at home. Islamic law forbids the presence of mention of Christianity.
- **In Saudi Arabia,** 10 Christians, all guests of a group called Middle East Concern, had a private part where an evangelist was invited to speak. All 10 were arrested. Under Saudi law, it is illegal for non-Muslims to hold religious services - - even in private.
- **In Nigeria:** Twelve Christians, including three pastors were killed and twenty churches demolished amid escalating religiously motivated violence. . .¹²
- **In Somalia:** Four more Christians have been beheaded in Somalia. The four Christians had been working for a non-governmental program that aids orphans in Southern Somalia. The Islamic group, Al-Shabaab, which has ties to Al-Qaida, kidnapped and eventually beheaded the Christians because they refused to renounce their faith."¹³

5. Muslim terrorists have declared war on anyone who stands in their way.

Article 31, page 22, makes this clear.

"It (Hamas) is only hostile to those who are hostile towards it or stand in its way in order to disturb its move or ot frustrate its efforts."

WHAT ARE THE OBJECTIVES OF MUSLIM TERRORISTS?

1. Muslim Terrorists Want To Kill Jews

They believe they have a mandate from Allah to kill Jews:

The time will not come until Muslims will fight the Jews (and kill them); until the Jews hide behind rocks and trees, which will cry: O Muslim! There is a Jew hiding behind me, come on and kill him! This will not apply to the Gharqad, which is a Jewish tree (cited by Bukhari and Muslim) (page 5 of 27)

[Http://womeningreen.org/hamas.htm](http://womeningreen.org/hamas.htm)

Page 23 of the Introduction to the Hamas Charter, it says:

“. . . Our struggle against the Jews is extremely wide-ranging and grave, so much so that it will need all the loyal efforts we can wield, to be followed by further steps and reinforced by successive battalions from the multifarious Arab states and Islamic world, until the enemies are defeated and Allah's victory prevails.”

2. Muslim Terrorists Want to Drive the Jews Out of Israel

Have you ever had someone ask you, “what if an irresistible force meets an unmovable object?” This is the situation which exists in the Middle East today. Both Jews and Arabs claim the right to live there. There is no possible solution to this conflict because the Arabs refuse to acknowledge Israel's rights to exist.

“There is no solution to the Palestinian problem except by Jihad” **(Holy War). (Article 13, p 9)**

On August 2, 2001, British Muslims held a rally outside the US Embassy in London. They issued this press release:

“There is no doubt in the mind of any Muslim that there can never be any peace in Palestine until the State of Israel is eradicated.”¹⁴

“Those of you who chose to dwell in one of the plains of Syria or Palestine will be in a state of Jihad (Holy War) to the Day of Resurrection.” (Art. 34, p 25)

(Article 14) The Three Circles: “The problem of the liberation of Palestine relates to three circles: the Palestinian, the Arab, and the Islamic. Each one of these three circles has a role to play in the struggle against Zionism (Jews returning to Israel)

“The peace initiatives, proposals, and international conferences are but a waste of time, an exercise of futility....” (Article 13, page 9 of 27)

3. Muslim Terrorists want to wound and kill Americans.

In the exclusive interview¹⁵ with reports for TIME, there were two questions regarding Americans. Listen carefully.

Q. If the targets are Americans, how can you justify the death of Africans?

A. (Ben Ladin) ..'When it becomes apparent that it would be impossible to

¹⁴Cal Thomas, “Rumors of War in the Middle East.” Conservative Chronicle, August 15, 2001, page 30

¹⁵www.time.com/time/asia/news/interview

repel these Americans without assaulting them, even if this involved the killing of Muslims, this is permissible under Islam.

The terrorists look upon Americans as robbers and murderers. They oppose even the idea of an American presence in the land of Islam. Here are Ben Laden's exact words.

"Any thief or criminal or robber who enters another country in order to steal should be expect to be exposed to murder at any time. For the American forces to expect anything from me, personally, reflects a very narrow perception. Muslims are angry. The Americans should expect reactions from the Muslim world that are proportionate to the injustice they inflict."

4. Muslim Terrorists want to remove all Western Influence

The Islamic Fundamentalists look upon the West as evil. The United States is often referred to as "The Great Satan." When the terrorists attacked the World Trade Center they believed they were fighting against an evil thing.

"There is no escape from introducing fundamental changes in educational curricula in order to cleanse them from all vestiges of the ideological invasion which has been brought about by orientalist and missionaries...." (Article 15, page 10).

"...Freemasons, Rotary Clubs, gangs of spies and the like. All of them are nests of saboteurs and sabotage...." (Article 17, page 12)

"Thus the Muslims must fulfill their duty in confronting the schemes of those saboteurs. When Islam will retake possession of the mans to guide the life of the Muslims, it will wipe out those

organizations which are the enemy of humanity and Islam." (Article 17, page 12)

"Such organizations are: freemasons, Rotary Clubs, Lions Clubs, B'nai B'rith and the like. All of them are destructive spying organizations." (Art. 22, page 16)

THE STRANGE BELIEFS OF ISLAMIC TERRORISTS

Before we close, it would be helpful for you to understand some of the strange beliefs of the Islamic radicals.

1. Muslim Terrorists look upon themselves as God's soldiers.

Members of the Hamas look upon themselves as soldiers of Islam. Article 36, page 26 reads:

"Hamas posits Islam as a way of life, it is its faith and its yardstick for judging. Whoever posits Islam as a way of life, anywhere, and regardless of whether it is an organization, a state, or any other group, Hamas are its soldiers, nothing else."

2. Radical Terrorists Believe They Have A Mandate to Kill

According to Muslim tradition, while Mohammad was meditating in that cave near Mecca, the angel Gabriel appeared to Mohammad and gave him several special revelations. Those revelations were not written down in a book called the "Koran" years later because Mohammad was uneducated and probably did not know how to read or write. Among those revelations are the belief that:

- Gabriel also told Mohammad that he was to loot and steal from the caravans that were passing through and that he was to kill the men....

- Gabriel also told Mohammad to kill and drive out all Jews. At one time Mohammad caught 1,000 Jewish men, brought them together, and had them beheaded.
- In another revelation, Gabriel told Mohammad that Islam was to be exalted above all other religions, including Judaism and Christianity.
- This is why Islam is known the world over as "The Religion of the Sword."

Article 15, page 11 of the Hamas charter says:

"I swear by that who holds in His hands the Soul of Mohammad! I indeed wish to go to war for the sake of Allah! I will assault and kill, assault and kill, assault and kill." (Told by Mukhari and Muslim)

If you doubt this, simply look at the countries where Islamic leaders are in control.

Countries such as Iran, Afghanistan, and Sudan are among the most dangerous places for Christians in the whole world. They oppress women, harbor terrorist, and persecute minorities.

In Sudan, for example, they practice slavery, forcible conversion, and mass murder against Black Africans in the South. Oliver North reminds us: ". . . In Sudan, Islamic warlords routinely buy and sell Christians while the government turns a blind eye."¹⁷

¹⁶Ibid

¹⁷Oliver North, "U.N. Ready to attack U.S. and Israel." Conservative Chronicle, August 15, 2001, p 28.

The Fez Massacre:

Have you ever been to a parade where members of the Shrine Club were present and were driving their funny cars and wearing red hats with swords on them?

Do you have any idea what those hats stand for and where those symbols came from? They are called "Fezes, and were named after a city named Fez.

"Many years ago (8th century) in Morocco, there was a Christian community named Fez. One day, a horde of Muslims swooped down upon that Christian community and slaughtered ever Christian in the city. The Muslims were shouting "There is no god but Allah and Muhammad is is prophet." They literally butchered every born-again Christian in that city. During the butchering of the people of Fez, the streets literally ran red with the blood of martyred Christians. The Muslim murderers dipped their caps in the blood of their victims as a testimony to Allah. Those blood stained caps eventually were called "fezzes" and became a badge of honor for those who killed a Christian."¹⁸

3. Muslim terrorists believe that suicide bombers have a special reward in Heaven.

We must not close without explaining the mind of the Islamic suicide bomber and martyr. Article 8, page 6 reads:

"Allah is its goal, the Prophet its model, Jihad its path, and death for the case of Allah its most sublime relief."

¹⁸Carlson & Decker, "Fast Facts on False Teachings." Eugene , Oregon: Harvest House, 1994, page 103

Most Arab Muslims believe that suicide bombers who kill Israeli children are heroes and martyrs. Their only concern is whether committing suicide while killing innocent children endangers their souls. One week before the recent bombing, "suicide bombers" was the topic of a sermon by Palestinian Mufti Sheik Ikrima Sabri. He said:

"The Muslim loves death and martyrdom just as you (Jews) love life. There is a great difference between the one who loves the hereafter and the one who loves this world."

Do suicide bombers go to heaven? In 1999, the Chief of Police of the Palestinian Authority (Sheik Abd Al-Salam Skheidm) said:

"From the moment his first drop of blood spills, he feels no pain and he is absolved from all of his sins; he sees his seat in heaven; he is spared the tortures of the grave; he is spared the horrors of the Day of Judgement; he is married to 70 black-eyes women; he can vouch for 70 of his family members who enter paradise; he earns the crown of glory; whose precious stone is worth all of this world."¹⁹ (Mona Charen, MIDDLE EAST NEEDS A REALITY CHECK. Conservative Chronicle, August 29, 2001, page 24)

4. Osama Bin Laden Believes it is His Duty to Develop Chemical and Nuclear Weapons.

The TIME reporter asked Ben Laden: The U.S. says you are trying to acquire chemical and nuclear weapons. How would you use them? Bin Laden's answer:

¹⁹ Mona Charen, MIDDLE EAST NEEDS A REALITY CHECK. (Conservative Chronicle, August 29, 2001, page 24)

"Acquiring weapons for the defense of Muslims is a religious duty. If I indeed acquired these weapons, then I thank God for enabling me to do so. And if I seek to acquire these weapons, I am carrying out a duty. It would be a sin for Muslims not to try to possess the weapons that would prevent the infidels from inflicting harm on Muslims."

WHERE DOES THAT LEAVE YOU AND ME?

1. We must come to grips with the facts: We are at war whether we like it or not.

When we declare war on the radical Islamic terrorist, it will be no short war. It will involve, in some way, every Arab nation in the world. In the opinion of this pastor, we are standing on the threshold of the major conflict of the 21st century - and I see no end to it.

2. Plan to protect yourself and your family. Don't count on our new president and his administration to protect us.

3. Don't Count on any Arab nation to support us.

4. Realize that Israel is our only real friend in the Middle East.

5. Get your heart right with God and prepare to fight or die for your faith.

(2 Chronicles 7:14)

"If my people who are called by My Name, shall humble themselves and pray, and seek My Face, and turn from their sins; then will I hear from heaven, will forgive their sin, and will heal their land."
