

SHOULD WE BURN THE KORAN?

By Gene Keith

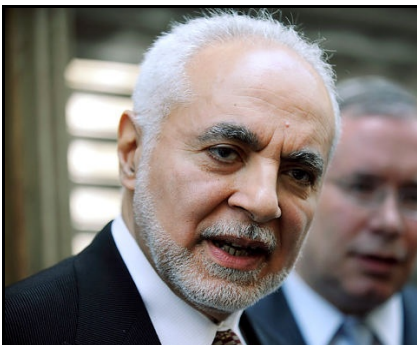

When Pastor Terry Jones of the fifty member Dove Church in Gainesville, Florida announced that they would burn copies of the Koran on September 11, his announcement sent shock waves around the world.

Angry mobs demonstrated in Indonesia chanting "death to America." Effigies of the pastor and the American flag were burned in other cities.

Gen. David Petraeus warned that the actions of the Dove church in Gainesville, Florida has even endangered the lives of American troops who are now serving in Afghanistan.

There were reports late Thursday afternoon (9/9/10) that Pastor Jones of the Dove church had canceled his plans to burn the Koran because he had been contacted by the controversial Imam Rauf, who had agreed to cancel his plans to build the mosque at ground zero if they would not burn the Koran on Saturday. Later reports from the Imam denied this. Nobody really knows what's going on.

Should we burn the Koran?

Evangelist Moody Adams has a better idea.

SHOULD WE BURN THE KORAN?

By Gene Keith

EVANGELIST MOODY ADAMS HAS A BETTER IDEA

In the September 8, 2010 edition of Moody News, Evangelist Adams said:

"The Koran is the central evidence for prosecuting the Muslim murderers. It should not be burned. It should be exposed.

To burn the Koran is to burn the proof that Muslim terrorist are the ones being true to their religion."

They are not the radicals, but faithful Muslims. The suicide bombers kill because the Koran commands it and promises them heaven for doing it. You would think the Muslims would appreciate someone burning their Koran. To leave it around risks someone reading it. These are a few of the atrocious things they would find in the Koran:

"O Believers take not the Jews or Christians as friends." (Koran 5:51)

"When ye encounter the infidels (unbelievers), strike off their heads till ye have made a great slaughter among them, and of the rest make fast the fetters" (Koran 47:4)

"Fight therefore against them until . . . the only worship be that of God (Allah)"
(Koran 2:193)

"Let those then fight on the path of God, who barter this present life for that which is to come; for whoever fighteth on God's path, whether he be slain or conquer, we will in the end give him a great reward." (Koran 4:74)

WHAT DOES THE KORAN TEACH?

In a previous issue of Moody News (May 19, 2009), Evangelist Adams revealed more Muslim beliefs based on the Koran. The Evangelist was commenting on the remarks of President Barack Obama who said that we need more education on Islam.

1. The Koran labels Christians as infidels:

“Infidels now are they who say, ““Verily God is the Messiah Ibn Maryam (son of Mary).” (Koran 5:17)

2. The Koran forbids friendship with Jews and Christians.

“O Believers take not the Jews or Christians as friends.” (Koran 5:51)

3. The Koran teaches that women are inferior to men.

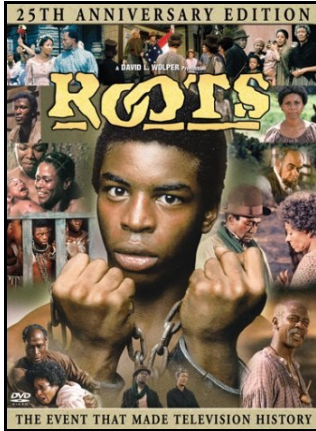

“Men are superior to women on account of the qualities with which God hath gifted the one above the other.” (Koran 4:34).

4. The Koran teaches that slaves are a gift of God:

"O Prophet! we allow thee thy wives whom thou hast dowered, and the slaves whom thy right hand possesseth out of the booty which God hath granted thee." (Koran 33:50). (Muhammad owned black slaves).

5. The Koran approves adultery with married slaves:

"Forbidden to you (for sex) also are married women, except those who are in your hands as slaves: This is the law of God for you." (Koran 4:24).

6. The Koran instructs men to beat their wives with a scourge:

"But chide those for whose refractoriness (rebellion) ye have cause to fear; remove them into beds apart, and scourge them." (Koran 4:34)

TEHRAN, Iran — The lawyer for an Iranian woman sentenced to be stoned on an adultery conviction said Monday that he and her children are worried the delayed execution could be carried out soon with the end of a moratorium on death sentences for the Muslim holy month of Ramadan.

In an unusual turn in the case, the lawyer also confirmed that Sakineh Mohammadi Ashtiani was lashed 99 times last week in a separate punishment meted out because a British newspaper ran a picture of an unveiled woman mistakenly identified as her. Under Iran's clerical rule, women must cover their hair in public. The newspaper later apologized for the error.

With the end of Ramadan this week, the mother of two could be executed "any moment," said her lawyer, Javid Houtan Kian. The sentence was put on hold in July after an international outcry over the brutality of the punishment, and it is now being reviewed by Iran's supreme court.

7. The Koran commands making war with Christians and Jews:

"Make war upon such of those to whom the Scriptures have been ... The Jews say, "Ezra (Ozair) is a son of God"; and the Christians say, "The Messiah is a son of God." Such the sayings in their mouths! They resemble the saying of the Infidels of old! God do battle with them! How are they misguided! They take their teachers, and their monks, and the Messiah, son of Mary, for Lords beside God, though bidden to worship one God only." (Koran 9:29, 30).

8. The Koran approves of lying:

"Of a truth, they who advanced that lie were a large number of you; but regard it not as an evil to you. No, it is an advantage to you." (Koran 24:11).

9. The Koran demands be-headings:

"When ye encounter the infidels (unbelievers), strike off their heads till ye have made a great slaughter among them, and of the rest make fast the fetters." (Koran 47:4).

10. Muslims are ordered to kill pagans.

"But when the sacred months elapse, then fight and slay the pagans wherever you find them and seize them, besiege them and lie in wait for them in every stratagem. But if they repent and establish regular prayers, and practice regular charity, then open the way for them, for Allah is oft forgiving, Most merciful." (Surah 9:5)

11. Muslims are taught that Jews and Christians teach false doctrine.

"None are more unjust than the Jews and Christians for teaching that Abraham, Isaac, Jacob, Moses, Jesus, and His disciples were Jews. They were Muslims. (Surah 2:132-140)

12. Muslims are instructed to kill Jews wherever they find them (Surah 4:9)

13. The Muslim's only guarantee of heaven is to die fighting for Allah in Jihad . . . a Holy war. (Surah 3:157)

MUSLIMS ARE TAUGHT TO KILL

(Jerry Nash Newsletter - September 2010)

"The sword is the key to heaven and hell; a drop of blood shed in the cause of Allah, a night spent in arms, is of more avail than two months of fasting and prayer: whoever falls in battle, his sins are forgiven, and at the day of judgment his limbs shall be supplied by the wings of angels and cherubim." **Mohammed**

"Any Muslim who dies without fighting, or having felt it his duty, will die guilty of hypocrisy." **Mohammed**

"I was commanded by God to fight with people until they say 'There is no God but Allah and Mohammed is his prophet.' " **Mohammed**

"The purest joy in Islam is to kill or be killed for Allah." **Ayatollah Khomeine**

WHAT DO MUSLIMS REALLY BELIEVE?

1. God

Christians worship Jehovah. Muslims worship Allah. These are not two names for the same Person. Jehovah is the One True God. Allah is the pagan moon god of the ancient Arabians.

2. The Bible

Christians use the Bible. Muslims use the Koran. Mohammed tried to persuade people that the Koran was just as scriptural as the Torah and the Gospels. Mohammed taught that the Torah and the Gospels were equal parts of a three-fold revelation from God to man.

3. Jesus Christ

Muslims reject the idea that Jesus is the Son of God. Muslims reject the deity of Christ. Muslims deny that Jesus died on the cross for us. Consider what Islam really teaches about Jesus Christ.

"God has not taken to Himself a son." Surah XXIII (25)

"He has not taken to Him a son." Surah XXV (26)

"Is it not of their own calumny that they say, 'God has begotten? They are truly liars.'" Surah XXXVII (27)

"The Messiah, son of Mary, was only a Messenger; Messengers before him passed away; his mother was a just woman; they both ate food. Behold, how We make clear signs to them; then behold how they perverted are." Surah V (19)

4. The Holy Spirit

Muslims reject the Deity of the Holy Spirit and make the Holy Spirit a created being.

5. Women

Muslims treat their wives like property. Muslims mutilate the genitals of their young girls, deprive them of an education, make them dress in sixth century costumes, and treat them like second-class citizens.

6. Heaven

Jesus said we won't get married in heaven, but will be like the angels. Muslims look forward to a place inhabited by virgins with large attractive breasts. The 9/11 terrorists believed seventy black-eyed virgins would be waiting for them the moment they entered heaven. How sad!

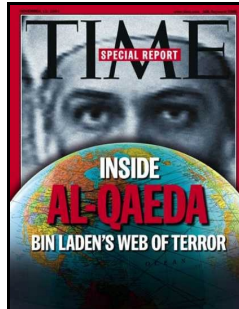

7. Religious Freedom

Everywhere in the world where the Gospel has been preached, there is freedom, slavery has been abolished, and people enjoy religious freedom.

However, there is not a Muslim country on earth where people are free to bring Bibles, preach Christ, build churches, or enjoy religious freedom.

8. JIHAD! (Holy War) The Sixth Pillar of Islam

Students in the seventh grade in a California public school were made to memorize the five pillars of Islam. What about the sixth pillar - - - Jihad (holy war)?

9. Morality

The Ten Commandments teach Christians and Jews not to commit murder. Muslims are encouraged to not only kill their enemies, but also to kill Jews and Christians, whom they consider to be infidels.

10. Evangelism

Christ instructed His followers to go into all the world and convert the world with LOVE. Muslims are sent into the world to conquer it with the sword and kill those who reject their message. No Bibles or Bible studies are allowed in Muslim lands. It is a death penalty for a Muslim to convert to Christianity.

11. The Prophet Mohammad

What about Mohammed? Was he a true prophet or a false prophet? Here is what Mohammed (supposedly) wrote:

"Jesus son of Mary said, 'Children of Israel, I am indeed a Messenger of God to you, confirming the truth of the Torah that is before me, and giving good tidings of a Messenger who shall come after me, whose name shall be Ahmed.'" (Surah LXI (17))

12. Marriage

Jesus made it clear that God's plan was one man and one woman for life (Matt 19). Muslims are allowed to have four wives. In addition to that, "when traveling, a Muslim can keep wives in different places or take concubines from among his slaves, just as it pleases him." (Surah al-Nisa" 4:3-34)

450 MUSLIM MEN MARRY GIRLS UNDER TEN

By Paul L. Williams, Ph.D.

""**Hamas sponsored a mass wedding for** four hundred and fifty couples. Most of the grooms were in their mid to late twenties; most of brides were under ten. Each groom received a gift of 500 dollars from Hamas.

The pre-pubescent girls, dressed in white gowns and adorned with garish make-up, received bridal bouquets. The International Center for Research on Women now estimates that there are 51 million child brides now living on planet earth and almost all in Muslim countries. Twenty-nine percent of these child brides are regularly beaten and molested by their Husbands in Egypt; twenty six percent receive similar abuse in Jordan.

Every year, three million Muslim girls are subjected to genital mutilation, according to UNICEF. This practice has not been outlawed in many parts of America .

The Islamic practice of pedophilia dates back to the prophet Muhammad, who amassed eleven wives and many concubines after the death of his first wife Khadijah in 619 A.D.

13. Treatment of Enemies

Jesus instructed his followers to love their enemies and give them food and drink if they are hungry or thirsty. Muslims are instructed to kill their enemies.

"Fight them (the unbelievers), till there is no persecution and the religion is God's entirely."
Surah VIII (40)

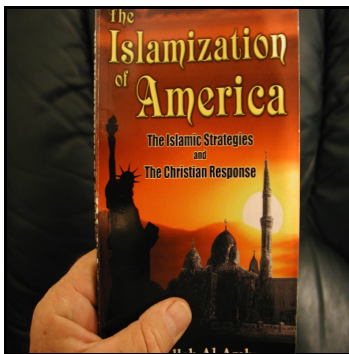

"Slay the idolaters wherever you find them, and take them, and confine them, and lie in wait for them at every place of ambush." Surah IX (43)

"Take not to yourselves friends of them (the disbelievers) until they emigrate in the way of God; then, if they turn their backs, take them, and slay them wherever you find them."
Surah IV (39)

"When you meet the unbelievers, smite their necks, then, when you have made wide slaughter among them, tie fast their bonds; then set them free, either by grace or ransom, till the war lays down its loads." Surah XLVII (48)

ISLAM'S PLAN FOR AMERICA

One of the first books I came across when I began to research Islam seriously was titled: *The Islamization of America*, written by Abdullah Al-Araby and published by The Pen V The Sword publishers of Los Angeles, California. In this timely book, the author warned:

"The forces of Mohammad have arrived in America, and the battle for the heart and soul of America is already in progress. A large army of Muslim activists are working fervently at their goal. It is nothing less than converting Americans to Islam and turning America into an Islamic state. Sadly, in this battle, the most powerful nation on earth is losing ground."

Here are direct quotes from Islamic leaders:

1. "Thanks to your democratic laws we will invade you!"
2. ""Thanks to our religious laws we will dominate you!"
3. "America will have a Muslim president by the year 2020!"

WHAT CAN WE DO?

1. Don't let anybody deceive you.

The Bible warns us over and over that in the last days there will be many false prophets and false religions. Many people in our generation, including well-meaning pastors) are being deceived . Can you answer the following questions?

1. Is Islam is really a peaceful religion?
2. Can Islam and Christianity really co-exist peacefully?
3. Do Muslims really believe in Jesus Christ?
4. Do Christians and Muslims share many of the same beliefs?

Five things I believe with all of my heart:

1. Islam is a false religion.
2. Muhammad was a false prophet.
3. Islam is a dangerous religion.
4. Christians are not safe in any country where Islam is in power.
5. Islam could possibly be the false religion which will control the world during the Great Tribulation.

2. Resist the "Islamization" of America.

We are being inundated with propoganda from well organized and well financed Muslim organizations who have successfully painted a happy face on Islam.

They have somehow even succeeded in gaining a lot of influence in public school curriculum. Students in America's public schools are not allowed to mention God, Jesus Christ, or to pray. However, in the same public schools, students are dressing in Muslim clothing, learning the five pillars of Islam, and even celebrating Muslim days like Ramadan.

Ramadan Dinner in White House

Our "Christian" President ignored the national day of prayer for two years, yet he held a special dinner for Muslims, in the White House on Ramadan.

He used that occasion to announce his support for the controversial mosque at ground zero.

There's a plan to build a monument in Pennsylvania in honor of the brave people who died in the hijacked airliners on 9/11. However, a new controversy has broken out over this project. It seems that this monument has Islamic symbols and faces Mecca.

NASA'S New Mission: Reach out to Muslims

"Just when you thought Barack Obama's toadying to Islam could not get any worse, now comes this: The president directed the new administrator of NASA, retired Marine Major Gen. Charles Bolden, as "perhaps [his] foremost" charge to "find a way to reach out to the Muslim world and engage more dominantly Muslim nations to help them feel good about their historic contribution to science . . . and math and engineering." Frank Gaffney

3. Pray for Christians living in Muslim lands.

From West Africa to the Middle East there are one billion Muslims living in thirty-four countries. That means that there are more than one billion people who are not allowed to hear the Gospel, own a Bible, or attend a Bible-preaching church, or even hold a Bible study.

Saudi Arabia

In Saudi Arabia, two pastors were beheaded because they dared to hold a Bible study.

East Java

In East Java, a crowd of 10,000 Muslims attacked and burned the home of a Christian preacher, to protest the tracts he had distributed.

Gulf War

During the Gulf War, chaplains in the US military were not allowed to wear their tiny crosses on their lapels. Service men were told to leave their Bibles at home.

Islamic law forbids the presence of mention of Christianity. Muslims are taught to carry out Holy Wars with bloodshed, and to kill every convert who leaves Islam by rejecting Allah and accepting Christ as the Son of God (Sura al-Ma'ida 5:9)

Pakistan

There are two hundred Christians awaiting death in Pakistan. They have been sentenced to death for "blasphemy."

4. Show your love for Christ by trying to win Muslims to Jesus Christ.

Muslims are taught to kill Christians and Jews. Christ commanded us to love our enemies and to preach the Gospel to all nations. Muslims can be saved but only if they repent of their sins, renounce Islam, and put their trust in the Lord Jesus Christ.

We don't have to travel to a Muslim country and preach there. There are thousands of Muslims attending school in America and we still have freedom of religion in America.

5. Wake up and understand that Islam is a terrorist religion and if Islam gains control in America, you will have only three choices:

1. Renounce your faith and submit to Allah.
2. Stand up and protect your life, your family, and your country from the Islamic terrorists.
3. Be willing to die for your faith.

"THE GOD OF THE KORAN IS A TERRORIST" Mosab Hassan Yousef

The man pictured on your left is Mosab Hassan Yousef. He is the son of a famous Hamas leader on the West Bank. Mosab appeared on the Sean Hannity show on March 10, 2010.

This former terrorist stated on national television: ""The god of the Koran is a terrorist."

Anyone who says that Islam is a peaceful religion either is deliberately lying or willingly ignorant. Islam is a religion of the sword.

If you can find one place on this planet today where there is killing, suicide bombing, and terrorism, where Muslims are not involved, we would like to know where it is.

Islam is probably the greatest threat to the world in the 21st century. Muslims circumcise their girls, beat their women, hate the West, and are taught to kill Jews and Christians. When terrorists kill innocent Jewish children they are taught to think they are killing pigs and monkeys.
